HOMework CLUB - 2024

Homework Club will operate this year in the school library from **3.00pm to 4.00pm each Tuesday and Wednesday** afternoons. There will be a rolling roster of supervising teachers throughout each term.

Homework Club is made available to students of our school in order to:

- Provide access to computers for word processing, powerpoint presentations, internet research, printing completed work etc.
- Provide access to all books, encyclopedias, magazines and other printed resources.
- Gain assistance from teachers on the completion of homework and assignments, developing study skills, research techniques etc.
- Provide a quiet environment for school or recreational reading.

In order to attend Homework Club, students are required to complete the following permission note for **each afternoon of attendance**. The permission note is to be returned to the library on the afternoon of Homework Club. During attendance, the following rules apply:

1. Students must be in the Library no later than 3pm.
2. Students will not be dismissed before the end of Homework Club unless written permission to leave early is provided by parents.
3. The normal rules of the library apply, eg. bags left at entrance to library etc.
4. Students must be well behaved and attend to their work for the full session.
N.B: disruptive or non-serious students will not be permitted to return to the Club for the remainder of the year.
5. Students will be provided with a light afternoon tea.

Please Note: It is expected that parents will **make alternative arrangements** for their child to **get home from school** after being dismissed. A telephone will be made available to students to use during the Club hours to communicate with parents should this be required.

Yours sincerely

Delvene Ahn
Homework Club Coordinator
