## An Opening Word from the Principal

Even though I'm a terrible cook I do have this very special recipe that I wanted to share with the students enrolling into Quakers Hill High School – my recipe for a good education. In fact you have already put some of the right ingredients together in deciding to enrol at a public high school. Public education is an important vehicle in our society where we ensure future generations of empathetic, tolerant and understanding young men and women.

But some of the other essential and special ingredients that need to be mixed together to make my education recipe are:

1. **Attendance** – if you miss too much school you will miss out on vast chunks of your learning and this will put you further behind. Furthermore, we are about preparing each child for the real world and the workplace and just like the workplace you are expected to be here every day and on time.
2. **Bring Equipment** – when the plumber comes around to your house to fix the hot water, he brings his tools with him to fix the problem. When you visit the doctor she uses her stethoscope and thermometer to establish what is making you sick. When you come to school your tools of your trade are your laptop, books, pens, pencils, PE equipment etc. Make sure you check your timetable every night and pack your bag ready for school the next day. This is your responsibility not your parents. Your job over the next 6 years is to get an education and you can only do this if you come to school prepared every day.
3. **Ask Questions** – there are many, many people here at Quakers Hill HS to help you. If there is something that is troubling you, or something you are not sure about ask questions. Ask other students, seek out your Year Adviser, ask the Deputy Principal in charge of your year, ask your teachers, speak to a Head Teacher, or the school counsellors.
4. **Follow Instructions** – life is all about following rules and regulations and unfortunately the people in our society who can't do this very well end up in a lot of trouble and are never as successful as they possibly could be. We have rules here at QHHS to ensure the safety of all our students and the best learning environment for all our students. We have the highest expectations of behaviour and cooperation for all students, no exceptions. So, follow teacher's instructions at all times.
5. **Wear Uniform** – every day, you are part of our school community and it is important that you appear that way, to ensure your safety we need to be able to identify intruders on the school grounds and the only way we can do this is if you attend school in full school uniform. Similarly, it is again about preparing you for the world of work, the labourer cannot enter the building site to begin his job unless he is in the correct work clothes, safety boots, hard hat and long pants. A part time job at McDonalds will not be yours for very long if you arrive at work without your uniform on. So, uniform is incredibly important.
6. **Understand and Commit to our 'SMART' Code** – this is our special code of behaviour at QHHS – **S** means being safe. **M** means being motivated to learn and involved in school activities. **A** is for academic, our primary focus is all about student learning. **R** is all about being respectful, a respectful person and learner means you will settle in well to high school. Finally, **T** is about tolerance, listening to those around you and accepting different opinions and ideas about things.

If we mix all these ingredients together what we end up with is a quality education, meaningful credentials that will allow you to fulfil the dreams you and your family have for your future. Good luck in your endeavours and welcome to Quakers Hill High School.

Jason White  
Principal

## A Note from the Deputy Principals

Quakers Hill High School is fortunate in that there are two Deputy Principals to assist in the running of the school. Each Deputy looks after three year groups within the school. Ms Rebecca Mahon looks after Years 8, 10 & 12 and Mrs Beaty Maricic is responsible for Years 7, 9 & 11.

The responsibility of the Deputy Principals is to ensure the smooth running of the school's daily routine and to deal with matters of discipline or student wellbeing as they arise.

Quakers Hill High School offers students the opportunity to become involved in a range of activities and to study a wide variety of subjects in a calm, positive atmosphere designed to promote effective teaching and learning.

Parents are asked to contact the Deputy Principal assigned to their child's year group or the Year 7 Adviser if assistance is required with any problems or concerns. The Year 7 Adviser and the Deputy Principal work closely together to ensure the wellbeing of our students.

We take this opportunity to reinforce the school's mission statement "A Caring Educational Community Shaping a Positive Future". We are both committed to ensuring that all of the students at QHHS receive a quality education that prepares them for all of the challenges and hurdles that work and life in the 21<sup>st</sup> Century will provide.

We look forward to meeting our new students and working together with them and their families to provide outstanding learning opportunities. Welcome to our school, we wish you all the very best.

Beatrice Maricic & Rebecca Mahon  
Deputy Principals

### Effective Communication with the School

We encourage and appreciate good communication with members of our community. We recognise that we can only be fully successful if we work in partnership with parents and caregivers. To assist with communication:

- Where possible, make an appointment to see school staff as they are very busy. Making an appointment also ensures that there is adequate time to address any concerns you might have.
- Go to Parent / Teacher interviews, open days and other events.
- Let the school know if your child is going to be away and send a note to school when your child is away from school for any reason.
- You can have a say about what happens at school by attending P&C meetings.
- Seek out and read the school fortnightly newsletter "Contact" which is posted on the school's website and the parent portal for parents to view.
- Regularly visit the school's website: **[www.quakershil-h.schools.nsw.edu.au](http://www.quakershil-h.schools.nsw.edu.au)**.
- Access the school's Facebook page which regularly has school events and photographs posted on it.
- Let the school know if your contact details change – address, phone and email.

# Who Are The People At Your High School

People within the School and what they do....

## **Principal**

Leads and manages the school community and ensures that the education and the wellbeing of students comes first. The Principal attempts to be available to talk with you whenever possible.

## **Deputy Principals**

Support the Principal in the smooth running of the school in the areas of student wellbeing, discipline, staff development and curriculum and oversee general organisational aspects. Generally, they will be your point of contact if you have any serious concerns.

## **Head Teachers**

Manage a particular subject, e.g. English or a group of subjects and teachers generally called a Faculty or Key Learning Area (KLA).

## **Year Adviser**

There is one Year Adviser per year responsible for the wellbeing of the students in that year group. Parents unsure about whom to speak to with regard to their child's education should contact the Year Adviser.

## **School Counsellor**

Provides support to students and their families, including counselling and individual educational assessments. A school counsellor is at Quakers Hill High School every day.

The role of the counsellor is to assist any student who is having difficulty coping with any aspect of their life at school or of a personal nature. Students are able to make appointments to see the counsellor themselves and parents and staff are also able to request appointments for students.

The counsellor works very closely with other Wellbeing staff within the school who have the advantage of being involved with the students for the entire school week.

## **Administration Staff**

Will help you with any general enquiries such as bus passes, forms, payments and making appointments to see school staff.

## **Support Staff**

The role of the Learning and Support teachers (LaST) is to assist the school to cater for all students so that they can reach their potential.

Each child in Year 7 will be assessed for reading, comprehension and mathematics. A program is designed, in conjunction with school executive staff and classroom teachers, to assist those students in settling into learning styles and strategies operable in a High School. Parent cooperation in relaying vital records or past experiences in primary school, can be a good starting point. We also have a specialist EALD teacher who assists students whose first language is not English.

**The First Day of School (Orientation Day)**

Year 7 students are required to come to school on Thursday 1 February 2024. They should assemble in the school hall by 8-8.30am. Parents may attend on this day, if they wish, to ensure their child arrives safely and knows where to go. Parents will be encouraged to leave shortly after.

All students must be in full school uniform and bring their joggers for the afternoon activities. The Uniform Shop will be open on:

- Information Night – Thursday 23 November 2023 – 5.30pm-7.30pm
- Extra night – Thursday 7 December 2032 – 5pm-7pm

### **Extra opening hours**

- 17, 18, 19 & 29 January 2024 – School Holidays – 8am – 11am
- Tuesday 30 & Wednesday 31 January 2024 (Pupil Free Day) – 4-6pm
- Thursday 1 February 2024 (Year 7, 11 & 12's start) – by appointment only from 3-5pm)
- Friday 2 February 2024 (all students start) – by appointment only from 3-5pm
- Normal hours return Monday 5 February 2024 from 8.10am – 9.30am every Monday

Book packs are available from the school for \$35 and include everything a Year 7 student requires. You will be allocated to a class and provided with a timetable. You will also be issued with a Quakers Hill High School diary to assist you with organisation and to act as a means of communication between school and home. Put your name on the front. Your teacher will explain to you how to use your timetable and your diary.

Bring your recess, lunch and drinks as the school canteen will not be fully operational on the day. Refer to our website for the canteen price list.

We encourage you to ask your peer support leader or class teachers any questions about any matters, large or small. We are most happy to assist in any way possible to make transition as easy as possible.

## P&C Invitation

Dear Parent/Carer

On behalf of the P&C Committee, I would like to welcome you and your family to Quakers Hill High School.

Now that your child is in High School, their educational success will benefit with your continued involvement.

The Parents and Citizens' Association at Quakers Hill High School has a vital role to play in the educational process. It provides a most appropriate forum in which we as parents can find out what is happening within our school as well as have an input into activities and programs.

The Department of Education and Training does not cater for all the needs of our children and therefore the P&C can make a considerable contribution by managing and funding various projects.

There are many differences between High School and Primary School but the P&C still requires the support of the community and individuals. With that support, we have a goal: to benefit our children.

The P&C at Quakers Hill High School only have a few fundraising initiatives. The main fundraiser is the Uniform Shop, which is run by a small number of parents who donate their time on Monday mornings. It is run by volunteers and anyone wishing to help, whether it be regular or occasionally, your support would be most welcome.

The P&C meetings are held the 2nd Monday of every month, in Room B1 at Quakers Hill High School commencing at 7pm.

Please join us and get all the information you need to help your child. Our meetings are casual and friendly and are not focused on fundraising. It is a great way to learn all the ins and outs of our school. Hope to see you there.

If you are unable to attend our meeting but are still interested in having input and receiving meeting minutes, please enquire about becoming an e-member.

**Annette Ward**  
**P&C Chairperson**

# YONDR PROGRAM

In 2022, Quakers Hill High School embarked on a partnership with Yondr (<https://www.veryondr.com/use-yondr>) to make our school a phone-free space for Years 7-10.

Yondr is used across the world in classrooms and schools, at concerts, comedy shows, weddings and special events of all kinds. The goal of these spaces is to encourage people to engage with each other and their surroundings. The program employs a simple, lockable pouch that stores a mobile phone and requires an unlocking base to open. When students arrive at school, they will turn their mobile phone to off and place their mobile phone into a personally assigned Yondr pouch that has been paid for by the school. Students will maintain possession of their mobile phones but they will not be able to use them until their Yondr pouch is opened at the end of the school day. A detailed Personal Device Policy is available on the school website under the policies section.

Students are required to bring their Yondr pouch to and from school each day and are responsible for their Yondr pouch at all times.

With Yondr in place we have found students to be more engaged in the classroom and with each other, less likely to engage in negative or anti-social behaviours in the playground and less likely to be distracted and procrastinate on assignments in class

We want to assure our families that you will be able to contact your child through the main office on 9837.1533. Unlocking stations are available in multiple locations, including the Front Office, Library, and specified staffrooms.

## HOW THE YONDR POUCH WORKS

### POUCH

As a student enters school, they place their phone in their assigned Yondr pouch.

### SECURE

The pouch is closed and secured. Each student keeps their pouch throughout the day.

### EXIT

When leaving school, the student taps their pouch to an unlocking base to release their phone.

## Frequently Asked Questions

### ***What if I want to reach my child during the school day?***

We want our students to be engaged in their learning. All parents/carers can contact the office (9837-1533) in order to get a message to their child.

### ***What if there is a family emergency and I want to speak to my child directly?***

In case of an emergency where you need to speak directly to your child you will ring the office first and then we can unlock your child's pouch so that you can speak directly to them.

### ***Will my student's phone be safe?***

Students are in possession of their phone - in their Yondr pouch - for the entire school day. We will advise students to store the pouch in their backpacks where it is completely safe.

### ***What if the Yondr pouch gets damaged?***

Although the pouch is given to the students for them to place their name on, it remains the property of Quakers Hill High School. If a student deliberately damages or tampers with a Yondr pouch, they will be held responsible. The student's mobile phone will be surrendered and a parent/carer will be required to pick-up the phone. A replacement Yondr pouch will need to be purchased at a cost of \$15:00.

Note: Damage consists of any signs that the physical integrity of the pouch has been compromised, whether intentional or unintentional, as determined by the school or Yondr staff.

## **QHHS: BRING YOUR OWN DEVICE**

Quakers Hill High School is a Bring Your Own Device (BYOD) school hence it is important for successful teaching and learning that all students have access to their own device.

We believe that BYOD supports both students and staff in a variety of ways, including the ability to

- work and learn collaboratively
- develop creative and critical thinking
- engage in flexible learning activities
- develop digital citizenship
- capture a range of modes, including text, audio and video.

Quakers Hill High School has invested heavily in technology over the past seven years, and we will continue to invest time and funds into ongoing staff/student learning in order to support the success of ongoing one to one device learning. The school has partnered with 'Learning with Technology' to organise discounts on a range of suitable devices. For more information, please visit <https://qhhs.orderportal.com.au/>.

Please be aware that students without their own devices will be supported by the provision of a loan device where necessary.

# Travelling to and from School

Some students attending QHHS travel by bus. If you live further than 2 km from school in a straight line, your child **may be** entitled to free travel to and from school. If your child is required to walk a distance of more than 2.9 km they **may be** entitled to a bus pass. Applications for a bus pass may also be made on the grounds of safety. Please note: The Department of Transport is responsible for deciding if applications are accepted, NOT THE SCHOOL.

The School Opal card is a new online application. The School Opal card gives eligible students free travel to and from school on school days. Students don't need multiple application forms and passes if they use different transport operators within the Opal network. Bus timetables can be found at: [http://www.busways.com.au/travelling\\_with\\_us/school\\_timetables](http://www.busways.com.au/travelling_with_us/school_timetables).

## Voluntary Contribution (optional)

**his amount of \$70.00** has been set for payment to assist in the development of the school and its resources in order to ensure a first-rate educational opportunity for all students. Much of the funds raised by this annual fee will be directed to the Learning Centre, library resources, computer facilities, sporting equipment and teaching resources.

### Subject Charges

<b>TAS</b>	Technology (incl. Industrial Arts, Home Economics & Agriculture)	<b>\$70.00</b>
<b>CAPA</b>	Music & Visual Arts	<b>\$70.00</b>
<b>TOTAL</b>		<b>\$140.00</b>

For Year 7 students, this additional annual fee of **\$140.00** is charged to cover all consumable materials used through the year in the **Creative & Performing Arts and Technology** faculties. The payment of this fee provides the school with funds to purchase all the materials necessary for use by students in these subjects, taking advantage of bulk buying and GST free prices which can be obtained by the school.

All fees are payable to the school office. Payments may be made before school, at recess or lunch and a receipt will be issued. Parents can make online payments through the school's website.

# Student Assistance Scheme

The school has been provided with some funds to assist parents who are experiencing financial difficulties in providing basic educational needs for their children. We try to assist as many students as we can within the limits of the available funding. Assistance can be provided in a number of areas, but the emphasis is on provision to needy students in the areas of School Uniform.

To seek assistance, a parent must write a letter explaining the circumstances and return it in an envelope marked “confidential” to the Principal.

All information supplied is treated in **strict confidence**. Please contact the Principal for further details.

## QHHS Sport in 2024

Every Wednesday during periods 3 & 4, **Year 7 & 8** students will go to either Grade/Recreational Sport/House Sport. During periods 5 & 6, **Year 9 & 10** students will go to either Grade/Recreational Sport/House Sport.

There are usually 3 competitions/rotations of sport that run throughout the year. They do not line up with school terms and the duration can be affected by wet weather etc.

We are looking at offering the following recreational Sports in 2023:

- Table Tennis
- Power walking
- Handball Competitions
- Theatre Sports

Students in House Sport will be allocated a team and they will play 2 rounds of Sport during this competition.

Early in the term there will be tryouts for grade teams as well as selection processes for recreational and house sports. Students who participate in grade sports will have to purchase a bus pass that will ensure their travel to and from sporting venues each week. This pass will be available from the front office to purchase.

Their grade sport is played against schools in the Macquarie Zone ie. The Ponds High School, Rouse Hill High School, Kellyville High School, Crestwood High School and Glenwood High School. Students participate in competitive team sports on a rotation basis such as Oztag, Soccer, Touch Football, Netball, Ultimate Frisbee, Volleyball and Basketball.

# QHHS Library

The Library is open daily at recess and lunchtime. During these times, students may use computers for homework, research, checking email, and playing approved computer games. The library also has chess sets, card and tabletop games, which students are welcome to play in the library during breaks.

Students may borrow five fiction and five non-fiction books at a time. Fiction loans and non-fiction texts can be borrowed for a two-week period. Loans may be extended if no-one else has requested the book. Books may also be reserved if they are on loan to another student. Year 7 students may access the library's resources, including borrowing books and using the computers, even before they receive their student ID card.

Classes are regularly scheduled in the computer and learning spaces in the library. The library is a shared learning space and students are reminded that the SMART code applies in the library at all times.

## Wheeler's Digital Collection

View the QHHS eBook and audiobook collection at [qhhs.wheelers.co](http://qhhs.wheelers.co). To borrow, sign in with your school username and password. You can read or listen to books on your computer using Chrome, Safari or Firefox. Or, download the Wheelers ePlatform app for Android or iOS. You will find over 2,500 books available – this includes books on the Premier's Reading Challenge list, fiction and non-fiction – enough to keep you reading for a long time.

## ClickView Video Collection

The QHHS ClickView video library is available through OLIVER. Search and view thousands of titles in your browser, including documentaries, films, TV series, flipped learning and lessons. Many videos include teaching and learning resources.

Access OLIVER on the Student Portal, by selecting My School Library. Select Search other sources and then enter a search term. Expand the ClickView Online - Australia tab to see related videos. Learn more about ClickView on the QHHS Library induction site ([tinyurl.com/y4xvpz15](http://tinyurl.com/y4xvpz15))

## Premier's Reading Challenge (PRC)

Students in grades 7-9 will be invited to sign up for the PRC in Term 1. Any books read over the summer holidays may be included in their list, so please keep a record of your reading. Students who have completed the challenge in primary school will have their achievements recognized by the PRC as they progress through high school.

## QHHS 10 Book Challenge

At the start of September, the QHHS 10 Book Challenge kicks off requiring readers to complete 10 books by the middle of November. Five are to be taken from the official PRC list and the remaining five can be any books of their choosing. As with the PRC, all participants receive letters of commendations, certificates, merits and their participation will be recognized in their school report.

## Library Monitors

Year 7 students are welcome to apply to become library monitors. Our monitors help out at recess and lunchtime, loaning books, shelving returned items, signing students onto computers and assisting the library staff as required. Application forms can be collected from the library, and successful applicants will be trained by student mentors. Library monitors are required to contribute book reviews, engage in reading challenges, host library events and to assist their fellow students in finding books they will enjoy.

## Library Events Calendar

Each term the Library hosts a diverse range of lunch activities that endeavour to engage our students in stimulating, creative and pro-social activities with like-minded individuals. The activities vary each term, and are promoted via Crews News and student email. In previous terms we have featured karaoke challenges, chess knockout competitions, Minecraft and Wii challenges, jewellery making workshops, pinata festivals, cold case file challenges and literary lunches, as well as minute to win it comps and trivia tournaments. Stay tuned for 2024.

# Year 7 Vaccinations

## Vaccines, for all Year 7 students

Dear Parent/Guardian

Teams of specially trained registered nurses will be visiting your child's school during Year 7 to offer vaccinations against serious vaccine preventable diseases.

### Vaccines includes

1. Human Papillomavirus (HPV) vaccine (2 dose schedule, given at least 6 months apart) – giving protection from 9 types of HPV
2. Diphtheria-Tetanus-Pertussis (dTpa) vaccine (1 dose) – a booster dose due at this age

### What do you need to do?

- ✓ Read the Year 7 Vaccination Information Kit which will be distributed by your child's school at the beginning of the school year
- ✓ Complete & sign the Consent Form (make sure you sign for each vaccine your child requires)
- ✓ Return the signed Consent Form to your child to return to school, as soon as possible
- ✓ Discuss the importance of vaccinations with your child
- ✓ Ensure your child has breakfast on the morning of vaccination
- ✓ If your child is absent from school on vaccination day catch-up vaccinations will be provided at the next school clinic/s throughout the year

### More questions?

**Please contact Western Sydney Public Health Unit on 9840 3603 or visit**

# Wellbeing and Discipline

## Quakers Hill High School Level System Flow Chart

<b>FACULTY</b>	<b>Yellow Level</b>	Classroom Teachers and Head Teachers can place students on Yellow Levels within a subject. A student is placed on a Yellow Level for consistent breaches of QHHS's SMART code. The classroom teacher monitors student's work and behaviour for a set number of periods. Letter and/or phone call to parents.	No Restrictions to Whole school activities
	<b>Orange Level</b>	Head Teachers place students on Orange Levels and monitor student progress whilst on them. An Orange Level is a withdrawal level where students are removed from their normal class for failing to meet the identified SMART expectations whilst on a Yellow Level. Students are withdrawn from class for a set number of periods. Head Teacher to send a letter home and phone parents. Students must complete an Orange Level reflection sheet before they re-enter the class on a new Yellow Level.	Attendance at excursions or special events may be restricted. HT to negotiate with student
<b>WELLBEING</b>	<b>Blue Level</b>	Deputy Principals and Year Advisers place students on Blue Levels. Blue Levels are primarily used to help students focus on improving classroom behaviours. Blue Levels are not punitive and students can self-refer for a Blue Level.	No Restrictions
<b>SENIOR EXECUTIVE</b>	<b>Red Level</b>	The Principal and Deputy Principals place students on Red Levels. Students may be placed on Red Levels for persistent problems across several subjects and/or persistent disobedience whilst on an Orange Level. Students returning from suspension may also be placed on a Red Level. Students may be referred to the school counsellor and/or appropriate support program/s. Parents will be contacted.	Possible exclusions may apply based on individual circumstances of each student
	<b>Formal Caution</b>	The Principal and Deputy Principals issue students with a Formal Caution of Suspension. Formal Cautions can be issued for persistent disobedience whilst on a Red Level. They can also be issued for serious breaches of the SMART code. Parents will be contacted and a referral made to the school counsellor and/or appropriate support program/s.	Possible exclusions may apply based on individual circumstances of each student
	<b>Suspension</b>	The Principal and Deputy Principals issue students with a suspension. It can be issued for persistent disobedience whilst on a Red Level. They can also be issued for serious breaches of the SMART code. For short suspensions parents will be contacted and a referral made to the school counsellor and/or appropriate support program/s. Students will need to complete a return from suspension interview with their parent/carer provider post suspension. Long suspensions also include a referral to the suspension centre.	Not allowed to attend school or any school event for the duration of the suspension

# Smarties

Smarties are reward cards given to recognise and encourage pro-social behaviour. Once a student collects 3 Smarties, they can hand them into their roll call teacher, and a Merit card will be issued by the school's SASS (School Administrative Support Staff) personnel. Merits are recorded as a positive entry on Sentral, the school record management system.

Smarties may also be given in examinations, for sports carnival attendance, school service, assistance given to the teacher, and so on. Extended roll call on Wednesday morning will at times be used to remind students of the school's SMART expectations with focused activities on positive behaviour for learning.

## The Merit System

## QUAKERS HILL HIGH SCHOOL PROCEDURE FOR DEALING WITH A BULLYING INCIDENT

## Other Things You Need to Know

### Roll Call

Students are placed in a roll call class for the year. Each roll call class is administered by a roll call teacher to whom all letters regarding attendance should be addressed.

### Mobile Phones and Smart Watches

We understand that parents may wish their child to have mobile phones or Smart watches so that they can communicate changes in plans and to ensure their safety outside of school. However, the use of mobile phones and Smart watches for verbal, internet or SMS communication at school is not allowed and should be in their YONDR pouch as per the school policy.

**If you need to contact your child during school hours, please call the office.**

### Sickness

Children should not be sent to school without adequate care being taken of injuries already received or if sickness is anticipated. The function of the school clinic is to treat students or render first aid, to assist them if possible, to get them through the day. It is not a recovery room, a rest centre or a hospital.

Sometimes it is necessary to send sick students home. If this is necessary, you will be notified by phone. Please note a student will not be sent to an empty home when they are sick. Arrangements will be made with the parent/guardian or an emergency care contact (e.g. relative, neighbour). Emergency contact numbers are therefore very important and should be kept updated by simply ringing the office if there is a change. No medication will be administered for **any reason** by a teacher or office staff. If it is necessary for a student to take medication during the day, this medication must be left at the office. It is the student's responsibility to come to the office to take their medication. Students are not permitted to have pills, etc. in their possession at school.

### Absence from School

Parents/Carers are required to explain their child's absence from school within seven (7) days by reaching out and using any means of verbal or written communication to explain their child's absence. The Department of Education has four acceptable categories for justified absences:

- being sick or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstances e.g. attending a funeral.

If no communication is received within seven (7) days of the absence, the absence will be treated as unexplained.

For any planned absences of more than five (5) days, parents/carers need to complete both the Application and Certificate for Extended Leave – Travel, available at the Administration office, or on the Quakers Hill High School website. Approval is required by the Principal.

Each day, roll call begins at 8.45am. All students must attend. Any student who arrives late to school but during roll call must report to their roll call class to be marked present in Attendance by their roll call teacher. Any student who arrives after roll call must report to the office to sign in upon arrival. To avoid detention, all late arrival

absences can be accompanied with written or verbal communication from their parent/carer.

**Leaving Early**

If you require your child to leave the school before the end of the school day, a note containing a full explanation of the reason for leave must be sent to the school office with your child BEFORE roll call. Under no circumstances should a student contact their parent to come and collect them.

**Excursions**

Excursions form a valuable part of your child's educational experiences. You will be fully informed in writing of all details of any school excursion. All money and permission notes are to be paid to the school office.

**Assemblies**

Formal assemblies are held every Monday Period 4 for the whole school. Year assemblies are held once a month to deal with the specific requirements for that year.

**Examinations**

Students sit half-yearly and yearly examinations as well as topic tests and quizzes. If you miss a test due to illness, please see your teacher and arrange a time to complete the task. Do not let it just go by. Show people what you are capable of both academically and in terms of maturity.

**Bicycles**

Students are permitted to ride bicycles to school provided they wear helmets and obey the road rules. A bicycle rack is provided for students however, they will need to provide their own chain and lock to secure their own property. The school cannot take responsibility for the security of bikes/scooters.

**Lost Property**

No responsibility can be accepted for property lost through the carelessness of the owner. Students are requested not to bring valuable equipment to school and to keep their bags under supervision at all times. To assist the school to return lost property, all pieces of students' property should be clearly labelled with their name and roll class. All enquiries regarding lost property should be directed to the front office.

### Bell Signals System

*There are various bell signals which tell students and staff what to do.*

**Single Ring** indicates the start of the day, end of lessons or breaks and the end of the day.

**Two Rings** indicate an assembly in the quadrangle has been called. All students and staff should assemble in the quad as quickly as possible.

**Three Rings** indicate that the **oval is closed** due to extreme heat or rain. Undercover walkways become in-bounds for that break.

**Whoop Sound** indicates that an **evacuation** is necessary. Students and staff must evacuate the buildings and assemble on the oval.

**Doorbell Sound** indicates a **lockdown** is required. All students and staff must remain in the buildings, close and lock all doors and wait for the all clear (which is two rings calling everyone to the quadrangle).

## MY S.M.A.R.T. STUDY/HOMEWORK TIMETABLE

- This is **your contract** with **yourself**.
- Ask your parents to help you to successfully study each week.
- Make sure you get enough sleep.
- Your leisure time (sport, shopping, favourite TV show) should be included.
- Allow time for HW and assignments.

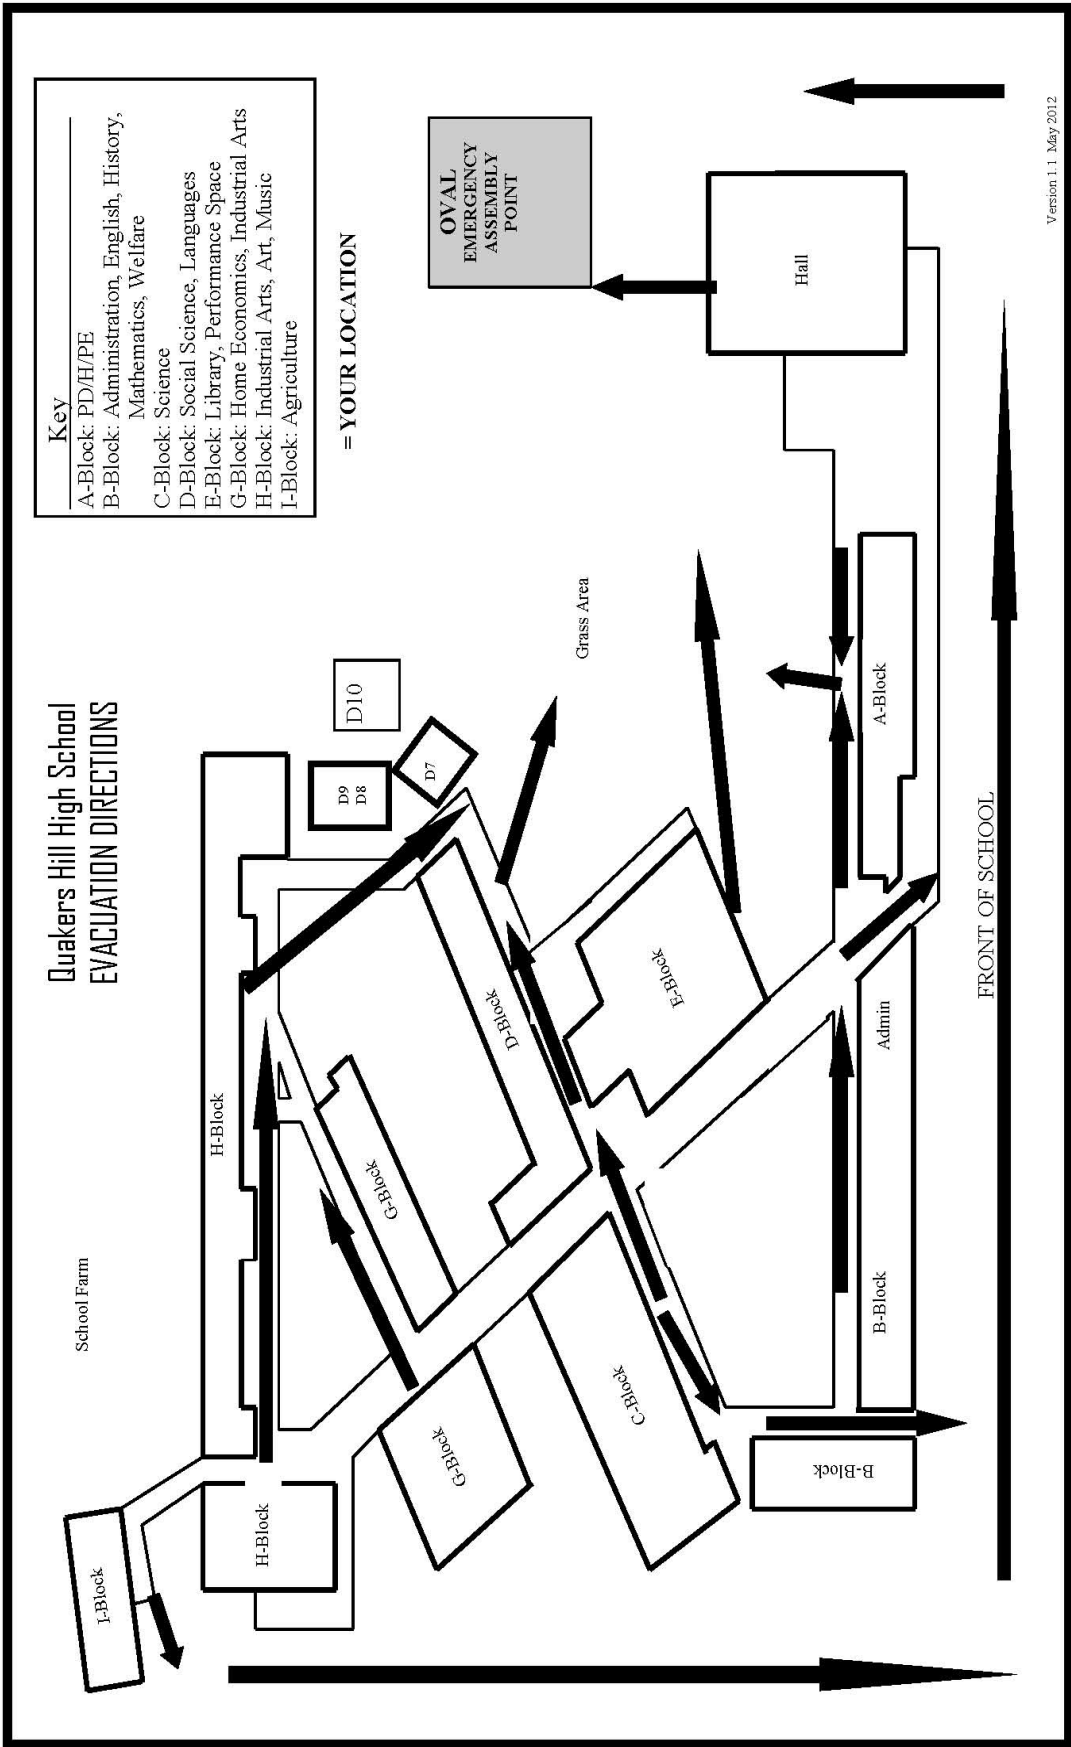

### HOW CAN I STUDY?

- Work out whether you are a morning or evening person and set up this timetable with that in mind.
- Ask your teacher about the best way to study for each subject.
- Go through your notes and use a highlighter pen to highlight the main concepts. This makes future study easier and much quicker.
- If you miss a session, catch it up.
- Make copies and tick off each study session after you complete it.
- Keep a folder for each subject so that you are organised and can find things easily.

### WHY SHOULD I STUDY?

- If you develop a study habit **NOW**, it will make your HSC and further study much less of a hassle.
- Being **ORGANISED** is the key to future success no matter where life takes you
